

Menu of Aesthetic and Non-Surgical Treatments

Facials & Chemical Peels

Vitalize Peel- \$95 per tx., Recommended series of three. This minimally invasive peel will help fight sun-damage, wrinkles, pigmentation and acne, with 4-7 days of light peeling.

TCA By Image: \$150 per treatment. This exceptional, well-known skin care line is by prescription only. It will reverse sun damage, the effects of aging, and reduce pore size. You will experience 5-7 days of peeling.

4-Layer Facelift: \$80 per treatment or recommended series of 6 for \$400

This revolutionary 4-Layer "facelift" will noticeably change the image of your skin in just one application. This treatment is recommended for rosacea, pregnant women, dry/dehydrated skin & dull/tired skin due to smoking, post-microdermabrasion, and post-surgery.

Lightening Lift Treatment: \$100 per treatment or recommended series of 6 for \$500

This pigmentation resurfacing cocktail is a wonderful blend of agents designed to tighten and brighten your skin. Recommended for superficial pigmentation, sun/brown spots, and uneven skin tone. The brown spots will initially get darker then shed away in 3-5 days.

Organic Passion Peptide Peel: \$100 per tx This Organic Fruit Enzyme peel will put the passion back into your skin. Dramatically improves skin tone, clarity, and texture for a healthy, vibrant complexion, while infusing Organic Japanese Green Tea and Idebenone for supple hydration. Excellent for all skin types.

Image Acne Facial: \$60/treatment or recommended 3 treatments based on our aesthetician's recommendation for each individuals' needs. This clinical acne facial is designed to immediately treat excess oil and superficial blemishes with noticeable improvement in just one treatment.

Glycolic/Retinol Peel: \$75 This treatment regenerates new cells and increases production of collagen, creating younger and healthier looking skin.

Microdermabrasion: \$75 per treatment. This non invasive treatment can be combined with most of the chemical peels mentioned above with excellent results.
